

Dear Future 2nd Grader and Family,

Welcome to 2nd grade! We cannot wait until next year to get started with all of our adventures! The summer is an amazing time to enjoy making memories as a family. We hope you will continue to grow as readers and writers. We know you have spent the past year learning a ton in first grade and we want you to retain and build on what you learned this year. We hope you spend your summer using your creativity and getting lost in real and imaginary adventures!

We would love you to create a journal full of your summer adventures! Pick out any composition book or journal and fill it up with writing and pictures from your summer. You can glue in pictures or brochures to write about too ☺ Have fun and see if you can fill up a page a day with a picture and writing to tell about your adventures!

We would also love you to get lost in imaginary and real adventures inside your books! We are encouraging you to read at least four chapter books this summer. Keep track of your reading on the reading log. Have fun and add some pictures and writing in your journals about the books you read.

Bring your journal and reading log to school on our first day as second graders! We will share our journals and all of the fun-filled experiences you had over the summer! Remember to take your journal and book with you everywhere you go! Enjoy time with family and friends making memories this summer ☺

Happy summer,

Mrs. Barrett & Ms. McClain

Terrific Tigers! Great Gators!
