

4th Grade Summer Reading List

Please read at least two of the books from the following list over the summer. Once you have read two books choose one to complete your summer reading project. You will design a new book cover and title for the book you choose. Choose a new title and artwork that tell what the book was about. In addition, the back cover should include a short summary of the book. Please bring your project with you the first week of school. The most important thing is to grab some books and enjoy an adventure in reading this summer!
