You do not need to put your child's name on any of these items.

Do not purchase a backpack or special snack bag. We will provide a BCS tote bag and a special bag for morning snack.

You will need to purchase a child's lunch box. I hope you and your child have a fun time picking one out!

***Important notes before you buy lunchboxes and nap items**

Your child will be learning to pack up their own bags and open their own lunches this year and we want them to feel independent! Please only send in **small** travel size pillows or **small** pillow pets, **thinner** blankets and **child size** lunchboxes. Large lunchboxes, large thick blankets and large pillow pets or pillows make it very difficult for young children to pack and unpack themselves.

Items that we do not require, but are always welcome: new or gently used toys, games, puzzles or books for the classroom, and small inexpensive toys like the ones from birthday parties or happy meals (these are used for our treasure box).
